

Bravo Networks Access

Over the past 30+ years, we've supported our independent broker members through challenges and helped them to succeed. Today, our mission remains to grow, protect and support our members.

With Bravo Networks, your flexible membership evolves with you at every stage of your journey. Our team are with you at every step, using the collective strength of the Networks to provide the specialist expertise you need to grow your business, and help establish lasting and fruitful relationships with our panel of insurer partners.

The support we get as an Access member has helped us secure new business when we have been under strong competition, and to retain existing business where the risks have been difficult to place.

Paul Graham | FC Gardner

We are stronger together.

Bravo Networks Access provides a wide range of digital tools and templates created by experts. With the latest guidance and content behind them, your in-house teams can work more efficiently and according to best practice.

Bravo Networks Access provides support in the following areas:

- **Business Development**
A dedicated business development manager from your region will help you identify how the Network can help grow, protect and support your business.
- **Compliance**
Digital tools and templates created by the Networks' in-house experts; or, access to our partner RWA, a leading compliance provider.
- **Data insight**
A bespoke dashboard can help you identify key trends in your business.
- **HR**
Our experts think commercially with brokers' needs at their heart, to create templates and documents covering the full employee lifecycle.
- **Learning & Development**
Our award-winning Learning and Development team are always looking for new materials to help businesses expand their knowledge, skills and behaviours.
- **Marketing**
Our team of design, copy and digital creatives use their experience of the insurance broking industry to create compelling content especially for brokers.
- **Placement Support**
Our dedicated team are ready to use their market relationships help find a home for those hard to place risks.
- **System support**
Acturis and Open GI experts are available to offer training, support, user guides and letter suites.

On top of this we can offer our strong relationships with a wide and varied panel of insurer partners, exclusive access to an MGA, and links to the London Markets to help your business grow.

Why join Bravo Networks Access?

- You will become part of the largest networks of independent insurance brokers in the UK.
- Gain unrivalled support from our vastly experienced teams of Business Development Managers and in house specialists.
- Our flexible membership offers the opportunity to increase your income based on your level of support for our panel of insurers.
- Our strong industry presence helps to unlock opportunities, providing access to decision makers and helping you find cover for those hard to place risks - while you maintain your independence.
